

# Nominate Form for the ***“William D. Kehl Jr.” Volunteer of the Year*** ***Nominations are due by no later than May 15<sup>th</sup>***

This award was named in loving memory of William D. Kehl Jr. who lived each day to the fullest and touched many lives during his short time here on Earth. He will be remembered for his sarcasm, his drive to be the best at everything, and his absolute dedication to the Fishers Freedom Festival and the Town of Fishers. This will be an award that champions the outstanding volunteer efforts of a Town of Fishers resident. The first award was given out on June 23, 2007 at the opening ceremonies of the Fishers Freedom Festival. A selection committee will choose the recipient.

Much like it sounds, the Volunteer of the Year is how the Volunteers of Fishers will recognize people who have gone above and beyond for others.
